STARTING AT \$110.71 MSRP¹**

THE VALUE STORY

You may ask, "Do these reduced-priced replacement parts offer the same fit, reliability, and performance as the original part?" The answer is YES! They are genuine replacement parts that match the same specs/quality as the previous original parts from the factory and are backed by the Toyota Genuine Warranty. The only change is the price. Now you can offer your customers the exceptional quality of their Toyota vehicle's part at a price competitive with the aftermarket.
